ADMedia Solutions: providing venues throughout the UK and Ireland with FREE OF CHARGE Digital Information Screens

With over 20 years experience in the industry, using the latest digital technology, we can install LCD screens and information monitors into your venue completely FREE of charge.

Our bespoke quality commercials, both for your venue and local and national businesses, will allow your clients to be informed and entertained whilst visiting your venue.

We are able to offer your sponsors a choice of local or national campaigns.

BENEFITS

Consider the benefits of having a high quality digital screen in your venue...

- No cost to your venue - The technology, installation and custom-made package is COMPLETELY FREE OF CHARGE. We are able to offer this amazing service completely FREE OF CHARGE by displaying relevant sponsors alongside your content.
- Use your clients waiting time to promote products and services.
- All support and maintenance will be taken care of efficiently and effectively and is always FREE.
- Free training to your employees upon installation.
- Wall mounted saving floor space.
- Eco friendly so no more notice boards.
- Although our main clientele consists of Medical & Dental Surgeries, Post Offices and Leisure Centres, we can provide and install signage solutions for almost any venue.

SOLUTIONS

We can install an LCD Screen in your venue which utilises a digital media player to run high quality, dynamic commercials all day long.

For maximum efficiency and minimum input from your staff, we make our systems completely automated, saving you time and effort.

Remote access to the system allows us to perform regular system checks and ensure the content is always up-to-date.

For larger venues which may benefit from multiple screens, please contact us to discuss all of your digital advertising needs. We can customise packages specifically to suit your business.

VENUES

Enhance your clients' experience by providing Digital Information Screens which utilise a digital media player to run high quality, dynamic commercials all day long.

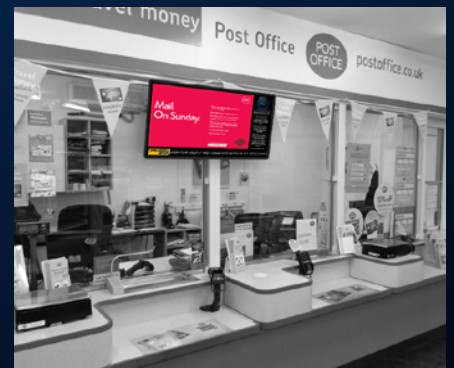

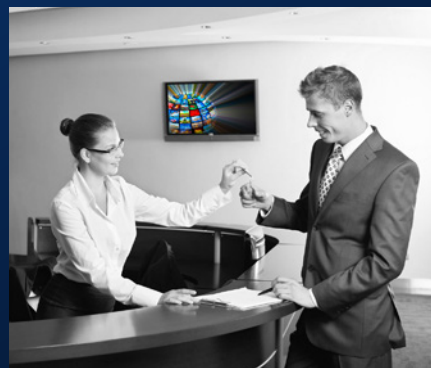

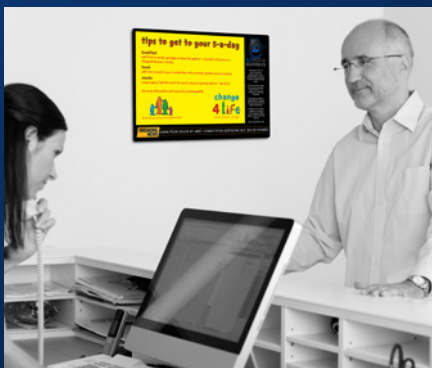

Our professional and experienced staff include project managers, engineers and graphic designers who work together to create effective commercials to actively engage your clients. You can choose to promote your products and services with a bespoke package specifically tailored to suit the needs of your clients, or simply to convey practical information regarding your business.

Facilities which benefit every day from our services include Leisure Centres, Waiting Rooms in Medical and Dental Surgeries, Post Offices and Educational Centres, to name but a few.

Whilst we constantly strive to grow our client base we recognise the importance of maintaining excellent relationships with our existing clients and our friendly, professional team are always on hand to offer support.

Contact us to discuss the installation of a FREE Digital Signage Solution for your venue.

LEISURE CENTRES * DENTAL SURGERIES * COLLEGES

ADVERTISING

Your venue information, promotions, products and services will form the major part of your digital package.

Secondary to this will be sponsors from the local area.

External businesses who wish to promote their services are offered a variety of packages according to their budget and specifications.

Each commercial is produced to a high standard ensuring a quality visual and informative experience for your clients.

Commercials normally run from 10 seconds to 1 minute dependent on the airtime needed.
